Our Promise to our Customers

Shepherd Caster will provide mobility solutions that meet our customers' needs through a combination of design excellence, quality manufacturing, global sourcing, and environmental responsibility. We are committed to the continued success of our customers, our employees and our communities. When you purchase a Shepherd Caster it's a matter of pride for us and trust for you.

A Leading Supplier for over **60 Years**

Shepherd Caster is a leading designer of cutting edge mobility solutions for a variety of OEM markets and applications. For over 60 years we have prided ourselves on responding to our customers' needs with outstanding quality, on time delivery, and excellent value at competitive prices.

Our casters, found throughout a variety of industries including furniture, store fixture, medical, business machine and institutional—have long been a benchmark for quality and design in the industry. We have an experienced sales force and established global distribution network ready to assist you in finding the right solution that meets all of your mobility needs. If the right caster is not available among our thousands of standard products, we have the design expertise, manufacturing knowledge, and capability to create a custom solution to meet any of your requirements.

Our Company

Shepherd is a leading brand of Colson Group—the global leader in casters and wheels. Colson Group's unique and proprietary global footprint provides our customers with available services and capabilities unmatched by any other manufacturer.

- The most complete product offering in the world
- One-stop shopping for any application and budget
- Local service worldwide, ready for any business need
- The most experienced sales, engineering, manufacturing and quality teams
- The highest value for your caster dollar

Design

Utilizing the latest in available technologies, our global design and engineering teams ensure every detail in performance, materials and aesthetics are delivered to meet customers' expectations and safety standards. From concept, to FEA and rapid prototyping—we bring your needs to reality.

Manufacturing

With leading manufacturing facilities located around the world, Shepherd takes a strategic approach to manufacture our products in the regions that best support the needs of our customers.

We are proud to be the leaders in USA Made casters, and constantly strive to set the standards in caster manufacturing, innovation and automation.

Quality

Industry leading test labs and global quality systems confirm our casters meet stringent quality standards. Our in-house capabilities ensure all designs meet or exceed industry standards (ANSI:ICWM standard) to keep your products safe and mobile.

Service

Customer expectations and requirements are met through a combined success of teamwork, expertise, technology, and commitment to excellence in design and manufacturing.

Our leading teams of inside and outside sales support are the most experienced in the industry, and are positioned around the U.S. to provide local support for all of your caster needs. We are committed to providing the service and support that you can rely on every time.
